Time and Tide

Arceye

It's hard for me to stop my heart
love never knows
when the time is right
I don't want to hurt
anybody but
can't help loving you
I never felt like this before
I know this is passion
worth waiting for
let love take take its course
that's the only thing
for us to do
We got time, oh baby,
there's no rush
gonna be a better
day for us
hang on
and I will
wait for you
our love will always stay as good as new
Time and tide
nothing and no one
can stop us now
for better for worse
this time I'm sure
it's gonna last
How can I stop my heart?
Love never knows
when the time is right
don't want to hurt
anybody
don't want to make them cry
don't want to make them cry
We've got time, oh baby
there's no rush
gonna be a better
day for us
hang on
and I will wait for you

Our love will always stay as good as...
new
It's a matter of time
only a matter of...
Time and tide
nothing and no one
can stop us now
for better for worse
this time I'm sure
it's gonna last
gonna last forever
We got time, oh baby
there's no rush
gonna be a better
day for us
hang on
and I will wait for you
