

# Time and Tide

## Arceye

It's hard for me to stop my heart  
love never knows  
when the time is right  
I don't want to hurt  
anybody but  
can't help loving you  
I never felt like this before  
I know this is passion  
worth waiting for  
let love take take its course  
that's the only thing  
for us to do  
We got time, oh baby,  
there's no rush  
gonna be a better  
day for us  
hang on  
and I will  
wait for you  
our love will always stay as good as new  
Time and tide  
nothing and no one  
can stop us now  
for better for worse  
this time I'm sure  
it's gonna last  
How can I stop my heart?  
Love never knows  
when the time is right  
don't want to hurt  
anybody  
don't want to make them cry  
don't want to make them cry  
We've got time, oh baby  
there's no rush  
gonna be a better  
day for us  
hang on  
and I will wait for you

Our love will always stay as good as...

new

It's a matter of time

only a matter of...

Time and tide

nothing and no one

can stop us now

for better for worse

this time I'm sure

it's gonna last

gonna last forever

We got time, oh baby

there's no rush

gonna be a better

day for us

hang on

and I will wait for you
