Perfect World

Allen Stone

In a perfect world, people everywhere
They could elevate above all fear
In a perfect heart there'd be perfect love
I'm still looking for reading someone
In a perfect world, everybody knows
That is, comes around same as it goes
But the way it is is the way it is
I'm just tryna find my way through thisIn a perfect world, in a perfect world
In a perfect world, in a perfect worldIt ain't bringing me down, no
Get it off my shoulder, livin' like I told ya
It ain't bringing me down
Get it off my shoulder, livin' like I told yaOn a perfect say, at the perfect time
When those beautiful colors combine
I'll be wide awake, I'll be living free
'Cause that perfect feeling is inside of me
In a perfect world, in a perfect worldIt ain't bringing me down, no
Get it off my shoulder, livin' like I told ya
It ain't bringing me down
Get it off my shoulder, livin' like I told yaIt ain't bringing me down
It ain't bringing me down
It ain't bringing me down
It ain't bringing me down
It ain't bringing me down
It ain't bringing me down
It ain't bringing me down
It ain't bringing me, bringing me, bringing me down
