

Baby That's Me

[Lesley Gore](#)

Tonight you took Mary to the dance
Oh gee, I'd give just anything for that chance
Maybe someday you will see
All the things that, that I could be

Ah baby that's me
Baby that's me
Baby that's me

She always tells me just how nice you are
And how you kiss goodnight in your car
But maybe someday you will see
All the things that I want to be

Yes, baby that's me
Baby that's me
Ah baby that's me

Ohh but maybe someday you will see
All the things that I want to be

Ah baby that's me
Yes, baby that's me
Ah baby that's me
