

# Under the Stairs

## The Birthday Massacre

You know you're too young for your age  
I feel kind of sorry for you  
'Cause it's such a shame  
You won't be laughing when I'm dead Nothing here has changed  
Maybe you should go and find  
Someone else to blame  
'Cause you are gonna be sorry when I'm dead Under stairs and no one cares I'm dead  
And that is where I'll wait for you
