

Extraordinary

Mandy Moore

I was a daydream
Quiet and unseen
I lived in stories
But inside I kept a mystery
I was a starling
Nobody's darling
Flying in perfect circles
Just for company And now I'm ready
And now I'm ready
And now I'm ready to be
Extraordinary A midnight airplane
A window glowing
I know I am another sparkle in the sky
I shine uncovered
Still undiscovered
But you must see me
In the corner of your eye And now I'm ready
And now I'm ready
And now I'm ready to be
Extraordinary Waking up to week of sundays
I am my own parade
Stopping off at a sidewalk cafe
The wind is playing up in the trees
Kicking up confetti leaves
Seems as if it's all to say And now I'm ready
And now I'm ready
And now I'm ready to be
Extraordinary And now I'm ready
And now I'm ready
And now I'm ready to be
Extraordinary
