

Chasing Shadows

Shakira

Woah oh oh,
woah oh oh,
Woah oh oh,
woah oh oh,
Woah oh oh,
woah oh oh,
Woah oh oh,
Oh, oh,
Sunrise

blinded by the morning light
Already dreaming up tonight
night, night, night, night, night
night!

And I know
That it won't
be long

Oh, we can't hide
From the love

that burns this strong
But it's just you and me
And we chase our shadows

We're waiting for,
just waiting for
the sun to go down

But until it does

We'll chase our shadows
And when the night comes
We will run from nothing, my love

But it's just you and me
And we chase our shadows

We're waiting for,
just waiting for
The sun to go down

But until it does

We'll chase our shadows
And when the night comes
We will run from nothing, my love

Nothing, my love
Nothing, my love

Nothing, my love
 Nothing, my love!
 Nothing, my love
 Nothing, my love
 Nothing, my love
 Nothing, my
 Night time
 And I am back in your arms
 When all my dreams are brought to life
 life, life, life, life, life
 life!
 And I know
 that it won't
 be long
 For we can't hide
 From the love
 that burns this strong
 But it's just you and me
 And we chase our shadows
 We're waiting for,
 just waiting for
 The sun to go down
 But until it does
 We'll chase our shadows
 And when the night comes
 We will run from nothing, my love
 But it's just you and me
 And we chase our shadows
 We're waiting for,
 just waiting for
 The sun to go down
 But until it does
 We'll chase our shadows
 And when the night comes
 We will run from nothing, my love
 Nothing, my love
 Nothing, my love
 Nothing, my love
 Nothing, my love!
 Nothing, my love
 Nothing, my love
 Nothing, my love
 Nothing, my love
 Woah oh oh,
 woah oh oh.

Woah oh oh,
woah oh oh,
Woah oh oh,
woah oh oh,
Woah oh oh,
Oh, oh oh,
Oh, oh oh
