

# Locked Out Of Heaven Mashup (feat. Sam Tsui)

Megan Nicole

I never had much faith in love or miracles  
I never wanna put my heart on the line  
Ooooh but swimming in your water is something spiritual  
And Iâ'm born again every time you spend the night

Which way is right, which way is wrong  
How do I say that I need to move on?  
And it show-ow-ow-ows  
Yeah yeah yeah yeah

You make feel like  
I am just too close to love you  
Iâ've been locked out of heaven  
There's nothing I can really say  
Yeah yeah

You make feel like  
I can't lie no more, I can't hide no more  
Got to be true to myself  
I am just too close to love you  
You make feel like  
Iâ've been locked out of heaven  
So I'll be on my way

You bring me to my knees  
You make me testify  
You can make a sinner change his ways  
You said "open up your gates cause I can't wait to see the light  
And right there is where I wanna stay"

Which way is right, which way is wrong  
How do I say that I need to move on?  
And it show-ow-ow-ows  
Yeah yeah yeah yeah

You make feel like  
I am just too close to love you  
Iâ've been locked out of heaven  
There's nothing I can really say

Yeah yeah

You make feel like  
I can't lie no more, I can't hide no more  
Got to be true to myself  
I am just too close to love you  
You make feel like  
Iâ've been locked out of heaven  
So I'll be on my way

All I need is a beauty and a beat  
(I feel a heartbeat)  
To make my life complete  
Yeah

I knew you were trouble when you walked in  
(All I need is a beauty and a beat)  
So shame on me now  
(To make my life complete)  
Flew me to places I'd never been  
Yeah

You make feel like  
I am just too close to love you  
Iâ've been locked out of heaven  
There's nothing I can really say  
Yeah yeah

You make feel like  
I can't lie no more, I can't hide no more  
Got to be true to myself  
I am just too close to love you  
You make feel like  
Iâ've been locked out of heaven  
So I'll be on my way

Oooh all I need is a beauty and a beat  
Trouble, trouble  
I am just too close to love you  
So I'll be on my way
