

Faith in Fate

The Coronas

Put the past away, save it for a sunny day

Right now there's nothing I can do, except stare right back at you

Put the future aside, I'll try my best to make it right

Right now it just seems so obscene to picture you without meAnd I hate how much we've cried

Our break was our greatest mistake

But if we try, I'll do everything I can to keep my faith in fateForget everyone else; I've tried to convince myself

That it was only time we lost but I'm not as strong as I thought

Forget who we've been with, the thought just makes me sick

Forget our year apart, this is where we areBut I hate how much we've cried

Our break was our greatest mistake

But if we try, I'll do everything I can to keep my faith in fate

But we've cried

Our break was our only mistake

I know we'll try and I'll do everything I can to keep my faith in fate

Oh, Everything I can to keep my faith in fate
