A Thousand Eyes

Tomahawk

The night has a thousand eyes
He s got the sharpest knife
But I ve got a thousand lives
I ve got a thousand lives
You are just one of mine
This cat gives me an extra 9
Speak louder, godfather,
You want what s mineYou know it s mine,
You want what s mine
I saw you, cat burglar
So come inside, show your face to me
The night has a thousand eyes
You are just one of mine
I ve got the eagle s sight
Come inside, come inside
Come inside, come inside.
