

# Good Morning School Girl

## Sonny Boy Williamson

Hello, little school girl  
Good morning, little school girl  
Can I go home with you?  
Can I go home, later wit' you? Now, you can tell yo' mother an' yo' father, mm  
That Sonny Boy's a little school boy, too I woke up this morning  
I woke up this morning  
Lord, and I couldn't make me no  
Lord, I couldn't make me, no town Well, said I didn't have no blues, woman  
But I was all messed up, anyhow Now, you be my baby, mm  
Come on an' be my baby, mm  
I'll buy you a diamond  
I'll buy you a diamond ring Well, if you don't be my little woman  
Then I won't buy you a doggone thing I'm gonna buy me a airplane  
I'm gonna buy me a airplane  
I'm gonna fly all over this land  
I'm gonna fly all over this land's town Don't find the woman that I'm lovin'  
Then I ain't goin' to let my airplane down I do no hollerin'  
I do no hollerin'  
Baby, what in this world I'm gonna do  
Baby, what in this world I'm gonna do Well, that I don't want never hurt yo' feelin'  
Or either get mad at you
