Criticize

Alexander Oâ€™Neal

Can't you find something else to talk about?
Is this song the only one you sins?
Makes you look better when you put things down?
Value your opinion!Don't criticize my friends, criticize my ideas
Don't criticize my lifestyle
I'm fed up 'cause all you wanna do is criticize
You've just closed your mind, ooh, ooh, criticizeYou don't realize all you wanna do is criticize
I just want what is right, still you say criticizeNow can't we talk this over
'Cause your conversation ain't right
We can make our love stronger
You don't have to think twiceDon't criticize my friends, criticize my ideas
You've just closed your mind, ooh, ooh, criticize
You've just closed your mind, ooh, ooh, criticize
Don't criticize my mode dear, criticize my feeling
Don't criticize my tears, dearI'm fed up 'cause all you wanna do is criticize
You've just closed your mind, ooh, ooh, criticize
You've just closed your mind, ooh, ooh, criticize
You've just closed your mind, ooh, ooh, criticize
