

# Entertaining Angels

## Newsboys

One to another  
Do you remember me?  
I feel so small  
Well, are you listening tonight?  
So temporary  
The things that I have seen  
I ran so far  
Will you take me back again?  
Entertaining angels  
By the light of my TV screen  
24-7, you wait for me  
Entertaining angels  
By the time I fall to my knees  
Host of heaven, sing over me  
One to another  
The feelings in between  
I won't let go  
Of all you taught me alright  
Close as a brother  
The way we used to be  
I'll hold my breath

And I'll wait for you to breathe  
Entertaining angels  
By the light of my TV screen  
24-7, you wait for me  
Entertaining angels  
While the night becomes history  
Host of heaven, sing over me  
Entertaining angels  
By the light of my TV screen  
24-7, you wait for me  
Entertaining angels  
By the time I fall to my knees  
Host of heaven, sing over me  
Entertaining angels  
By the light of my TV screen  
24-7, you wait for me  
Entertaining angels

While the night becomes history  
Host of heaven, sing over me
