

# Daddy Doesn't Pray Anymore

James King

Daddy doesn't pray anymore.....James KingDaddy doesn't pray anymore  
I guess he's finished talking to the lord  
He used to fold his hands and bow his head down to the floor  
Daddy doesn't pray anymore  
I remember even when times were bad  
He'd thank Jesus for everything he had  
For a good wife three children and food upon our plate  
Yeah everything was right when he said graceDaddy doesn't pray anymore  
I guess he's finished talking to the lord  
He used to fold his hands and bow his head down to the floor  
Daddy doesn't pray anymore(Break)There was a time we didn't get along  
Cause I thouht I was right and he was wrong  
When I laid down at night I heard him get down on his knees  
And pray a little prayer for meDaddy doesn't pray anymore  
I guess he's finished talking to the lord  
He used to fold his hands and bow his head down to the floor  
Daddy doesn't pray anymore(Break)Today I followed daddy down to the church  
And listend to the preacher read gods word  
We sang his favorite hynm but daddy didn't make a sound  
This afternoon we laid him in the groundDaddy doesn't pray anymore  
I guess he's finally walking with the lord  
He used to fold his hands and bow his head down to the floor  
Daddy doesn't pray anymoreNo Daddy doesn't pray anymore
