Young Money
(Kissing strangers)Aye, I'm just tryna make way out to the concrete jungle
Who walks with me?
Aye, oh yeah trying to find connection in 2 thousand something, ain't easyOoh
Can't quit, take six
Wanna taste you
Language, use lips
Kissing strangers (oh)Na na na na na na na na
'Til I find someone I love
Na na na na na na na na
Kissing strangers (oh)
Na na na na na na na na
'Til I find someone I trust
Na na na na na na na na
Kissing strangers (oh)
Open heart, open mind
Never know who you'll find
Open heart, close your eyes
Kissing strangers (oh)
Na na na na na na na na
'Til I find someone I love
Na na na na na na na na
Kissing strangersAye, all misinformation open to interpretation
Just keep searching
Me, hyperventilating, blocking up my circulation
No waitingOoh
Can't quit, take six
Wanna taste you
Language, use lips
Kissing strangers (oh)Na na na na na na na na
'Til I find someone I love
Na na na na na na na na
Kissing strangers (oh)
