

You Don't Mean Anything

Simple Plan

Maybe I'm just not good enough for you
And maybe I just don't wanna be like you And maybe I just don't wanna know
How low you're ready to go
I'm not gonna change
You can't make me, woh You don't, you don't, you don't, you don't
You don't mean anything to me
You don't, you don't, you don't, you don't
You don't mean anything to me
You're what I never wanna be Tell me, does it feel good to be like you?
And tell me, why should I waste my time with you? 'Coz maybe you always bring me down
I'm sick of being pushed around
I'm not gonna change
You can't make me, woh You don't, you don't, you don't, you don't
You don't mean anything to me
You don't, you don't, you don't, you don't
You don't mean anything to me
You're what I never wanna be I know you think you know me
You don't know anything
I know you want to help me
I don't need anything
Don't tell me where to go
I don't need you to know, no woh You don't, you don't, you don't, you don't
You don't mean anything to me
You don't, you don't, you don't, you don't
You don't mean anything to me
You don't, you don't, you don't, you don't
You don't mean anything to me
You don't, you don't, you don't, you don't
You don't mean anything to me
You're what I never wanna be
You don't mean anything to me
You're what I never wanna be
