Mirror

Bazzi

Just gotta
Clear my head a little bitI don't know what I'm looking for
I don't know what to say anymore
Wouldn't call it sad, I wouldn't call it mad
Something is just not right
I don't wanna feel like this anymoreThat man in the mirror ain't me
In the mirror, ain't me, no, no, yeah
That man in the mirror ain't me
In the mirror, ain't me, no, no
I don't wanna feel like this anymore
Yeah, yeah, yeah, yeah
I don't know what's wrong
But this feeling's so strong, let it go
Wishing I could just forget
All the gossip in my head, yeah
Couldn't tell you what's missing
Man, it's nothing specific
Just a feeling, I'm tripping
Got me so fucked up, yeah
Wish I could lift this up
Oh no, no, no, noThat man in the mirror ain't me
In the mirror, ain't me, no, no, yeah
That man in the mirror ain't me
In the mirror, ain't me, no, no
I don't wanna feel like this anymore
Yeah, yeah, yeah, yeah
Fighting with my mind
Crossing every line
Getting too close
I just gotta breathe
Smoke a little weed
Learn to let it goI know that I'm meant for more than this
I just gotta leave my head and start to liveThat man in the mirror ain't me
In the mirror, ain't me, no, no
That man in the mirror can't see
In the mirror can't see see, no
