

I Don't Want To Be with Nobody But You

Joss Stone

Bet you think that I don't love you, baby
Bet you think that I...
I don't care
But I wanna tell you
Well, you got something
And I'm loving you with all my heart
I don't ever wanna part 'Cause I don't wanna be with nobody but you (No no)
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of a mighty man
Come on and rock me
Wrap me in your arms like I know you can Don't you know that you can call on me, baby
All you gotta do is say you will
'Cause I'm lucky just to love you
And put an end to all your doubts
I know we can work it out 'Cause I don't wanna be with nobody but you (No no)
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of a mighty man (yes, I do)
Come on and wrap me
Wrap me in your arms like I know you can Man, I love you
So, put an end to your fantasy,
or you just might...
You just might blow it all
Get yourself together
and baby, when you do
You're gonna see (you're gonna see) that I'll be true to you I don't wanna be with nobody but you baby
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of a mighty man
Come on and wrap me
Wrap me in your arms because I know you can
Wrap me in your arms because I know you can
Come on and wrap me
I don't wanna be with no man but you
'Cause I don't wanna be with nobody but you
'Cause I don't wanna be with no-one but you Said I wanna be wrapped
in the arms of a Mighty man
Come on and wrap me

Wrapped in your arms because I know you can
I don't wanna be with nobody but you
I don't wanna be
With nobody but you
With no-one but you
No other man
You...
Is all about you
Just wrapped in your arms
Wrapped in your arms
Because I know you can
Why don't you wrapped me?
Wrapped in you arms
Because I know you want to
Come on and hold me
Wrapped and hold on baby
Come on and love me
Come on and love me
Wrapped in your arms
Because I know you can
Wrapped in your arms
Because I know you want to
