

# One Hand Killing

## Twelve Foot Ninja

Now put your money where your mouth is  
You have the method but will you move mountains  
This has become quite a vehicle  
With a roof o'er aggrandized ego You have adapted to the (role)  
Your portrait betrays your (soul)  
Wherever you may go  
May your heart's dream bring you (home)m/ m/I can see the sequence  
Transhuman influence  
I maintain observance  
Focused on radiance  
You remain in silence  
Language omniscient  
Driving us to violence  
Devoid of intelligence  
They backed you into the corner  
Provoked your will  
For them break, you return to them stronger  
Here and when you're willing  
The sound of one hand killing The sound of one hand killing  
... killing You are the answer  
Subject to summoning a landslide  
You have adulterated the alter  
Of a faceless serpentine cought in the rythm As you can imagine  
We are pulling every last stop  
We will not falter  
You offer To the people consistently caught in the middle  
I've sent for you and the coast is clear  
(How long will I be waiting waiting, how long will I be waiting waiting)  
Climbing up to the top, gonna meet you there  
(How long will I be waiting waiting, how long will I be waiting waiting)  
For you Up on your feet ({{indiscernable}})  
Dominate ({{indiscernable}})  
May the gods guide you right back here ({{indiscernable}})  
Without you here ({{indiscernable}})  
It's not home ({{indiscernable}})  
May you find what you're looking for ({{indiscernable}})  
I need a piece ({{indiscernable}})  
The infinite ({{indiscernable}})  
May it pull you through your deepest fear ({{indiscernable}})

Without {indiscernable} ({indiscernable})  
There's no show ({indiscernable})  
May you {indiscernable} I catapult ({indiscernable})They backed you into the corner  
Provoked your will  
For them break, you return to them stronger  
Here and when you're willing  
The sound of one hand killingThey backed you into the corner  
Provoked your will  
For them break, you return to them stronger  
Here and when you're willing  
The sound of one hand killingOOOOooooooooooooOOOOOoooooooooooooooooooo  
(How long will I be waiting waiting, how long will I be waiting waiting)  
OOOOooooooooooooOOOOOoooooooooooooooooooo  
(How long will I be waiting waiting, how long will I be waiting waiting)
