Not That Kind Of Love

Alice Cooper

Hello, my little pretty

My, don't we look yuck

Come here!You spend all day picking out your dress

I like you dirty, when you're hair is a mess

You smell so sweet walking in the room yeah

You don't have to try so hard to drown me in perfumeDon't cry your heart out

Don't tell your preacher

Don't get ideas, this won't last forever

Just want to touch you

Just want to feel you

Just want to taste you

I never wanted, I never wanted love before

I never wanted, I never wanted love beforeNot that kind of love

Not that kind of love

No, not that kind of love

It's not that kind of love

No, it's not that kind of loveYeahI don't want to know your dad or mom

And I won't be calling you to go to the prom

If you want to go, some cheap motel

You can pick me up at eight, I'll never tellDon't cry your heart out

Don't tell your preacher

Don't get ideas, this won't last forever

Just want to touch you

Just want to feel you

Just want to taste you

I never wanted, I never wanted love before

I never wanted, I never wanted love beforeNot that kind of love

Not that kind of love

Not that kind of love

Not that kind of love

No no

Not that kind of love

Don't gimme that kind of love
