I have been to the mountain
And I have walked on the shore
I have seen
But I can't see 'em no moreRound the mouth
Make an echo
Destroy the destroyer
And do it fast
That man lived in this town
Til that pig took him downAnd have you heard the sound
Of a man stop breathing, breathing?
I have been to the valley
And I have sung all her songs
Watch me see
Watch me sing along
And I say
"I have been to the mountain
And I have walked on her shore
I have seen
But I can't see 'em no more"
