Olive & an Arrow

Nick Jonas & The Administration

We've never been into honesty
So promise me you'll let me know
When you're lying
She wants to be an eagle
When she's high she can fly
No matter what she was tryingShe'll be the perfect woman
Then she'll change suddenly

You wanna cry from the feeling She's got a heart of gold but

Every now and again she'll turn to grey

And you know she gives me

An olive then an arrow in the back

She leaves me breathless

Then she kicks me while I'm down

She leaves me hoping

That my love won't show

'Cause I know she'll give me

An olive and an arrowShe doesn't like to worry

But she's afraid of everything

That's going on around her

I'm just another photo

That made its way on her page

Somehow I stayed but it won't be long

An olive then an arrow in the back

She leaves me breathless

Then she kicks me while I'm down

She leaves me hoping

That my love won't show

'Cause I know she'll give me

An olive and an arrow

You leave me hoping and prayin'

That my love won't show

'Cause I know you'll give me

An olive and an arrow
