

Run to You

Heather Headley

I know that when you look at me,
Thats how much that you just dont see.
But if you would only take the time,
I know in my heart youd find.Oh, a girl is scared sometimes, isnt always strong,
Cant you see the hurt in me? I feel so all alone.I wanna run to you, you
I wanna run to you, you
Wont you hold me in your arms and keep me safe from harm?
I wanna run to you, you
But if I come to you,
Tell me, will you stay or will you run away?Each day, each day I play the role
At someone, always in control.
But at night I come home and turn the key,
Theres nobody there, no one cares for me.Oh, whats the sense of trying hard to find your dreams
Without someone to share them with?
Tell me what does it mean.I wanna run to you,
I wanna run to you,
Wont you hold me in your arms and keep me safe from harm?
I wanna run to you, you
But if I come to you,
Tell me, will you stay or will you run away?
Run away, no, no.I need you here,
I need you here to wipe away my tears
And kiss away my fears.
If youd only knew how much I want you.I wanna run to you, you
I wanna run to you, you
Wont you hold me in your arms and keep me safe from harm?
I wanna run to you, you
And if I catch you, you
Tell me, will you stay or will you run away?
