Sorry

The Biebers

When i looked at you
I already knew
That we met each other
When i smelled your perfume
I asked someone
Who's that girl?
They warned me she's with the choreographer
I didn't know what to do
Because I respected much
She's a real talent with a fragile heart
But how she moves on the stage getting me crazy
I couldn't do else but to make her my baby.

Break my heart
Break my heart
Break my heart
She's a dancer girl
She's a maniac
And what she want is to break my heart.
She's a dancer girl
She's a maniac
And what she want is to break my heart.

She likes boys and girls but i try my luck
Maybe she was born with sushi
Now she wants my duck
But I tried with dick
We went further ways
Was it the devil? i didn't know
But we loved that taste

I didn't know what to do
Because i have a girlfriend
And she also has a partner who is my friend
Everything is fucked and im so stressed
When I'm getting drunk i want to kill myself

She's a dancer girl
She's a maniac
And what she want is to break my heart

She's a dancer girl
She's a maniac
And what she want is to break my heart.

Sorry
So sorry
Just dance 'till the end collapses on us
(6x)

She's a dancer girl
She's a maniac
And what she want is to break my heart.
(4x)

Sorry
So sorry
Just dance 'till the end collapses on us.
Sorry
So sorry
Just dance 'till the end collapses on us.
