

# Your Love

[Michael W. Smith](#)

I took a journey through the devil's door  
Chasing the freedom that I thought was yours  
Just found the bottom of an icy floor and regret  
With trembling hands and an empty breath  
You saw the struggle and You cast a net  
You knew me better than I ever knew myself  
And now the only thing that's left, oh  
Is Your love,  
Is Your love

I crossed the ocean and I searched the sky  
For the riddles and the reasons why  
You give a beggar like me a royal life, oh  
With trembling hands and an empty breath  
You saw the struggle and you cast the nets  
You knew me better than I ever knew myself  
And now the only thing that's left, oh

My heart is beating, cause Your love it overtakes me

My heart is beating, cause Your love it overtakes me  
Your love, Your love, Your love, Your love is endless  
I can feel it, I hear it loud and clear

My heart is beating cause Your love it overtakes me
