

Here in the Presence (Acoustic)

Elevation Worship

Here I lay my burdens down
Lose my worries in Your love
Casting every care on You
I have carried them enough We're not alone
Here within His love
Emmanuel
He is still with us When the world becomes too much
Near the cross I will remain
Until every fear is stilled
At the mention of Your name
We're not alone
Here within His love
Emmanuel
He is still with us
We're not alone
Here within His love
Emmanuel
He is still with us Mercy is falling, falling
Lift up your hands receive it now
Here in the presence of the Lord
Mercy is falling, falling
Lift up your hands receive it now
Here in the presence of the Lord
I know your past is broken
You can move on it's over now
Here in the presence of the Lord
I know your past is broken
You can move on it's over now
Here in the presence of the Lord Tired of running, running
Be still and know He's in control
Here in the presence of the Lord Pour out your heart before Him
Open your arms He'll hold you now
Here in the presence of the Lord
Pour out your heart before Him
Open your arms He'll hold you now
Here in the presence of the Lord! Mercy is falling, falling
Lift up your hands receive it now
You're in the presence of the Lord
Mercy is falling, falling

Lift up your hands receive it now
You're in the presence of the Lord
