

# Easin' In

## Badmarsh

Easin' in, slick as he can  
He's easin' in, easin' inEasin' in, slick as he can  
He's easin' in, easin' inThere's a man comin' into town  
He don't wanna know that he'll be around  
So he's easin' inEasin' in, easin' inLike a cat that's stalking it prey  
He don't wanna let it get awayEasin' in, easin' inEasin' in, slick as he can  
He's easin' in, easin' inHe's easin' in the city  
He's dangerous sly and shift  
If he should happen to write your name down  
Don't you try to fly outta town!Ya see, he's slick  
And he can't be tricked  
He ain't never made a mark  
He could not hit, ow!Easin' in, slick as he can  
He's easin' in, easin' inEasin' in, slick as he can  
He's easin' in, easin' inEasin' in, ooh he's easin' inEasin' in, slick as he can  
He's easin' in, easin' inEasin' in, slick as he can  
He's easin' in, easin' inEasin' in, slick as he can  
He's easin' in, easin' in
