

Make The Music Play

Dionne Warwick

Make the music play,
Just a little slower, play a little slower.
Let him hold me in his arms, a little longer.
Make the music play,

Just a little softer, play a little softer.
Let him hear me when I sigh, how much I love him.
Make the music play,
Keep the magic going,

Keep the love-light glowing, within his arms;
Don't even skip a beat, or he may get away.
And if we were parted, I'd be broken-hearted,
'Til I'm in his arms to stay.

Please make the music play.
Let him hear me when I sigh, how much I love him.
Make the music play,
Keep the magic going, keep the love-light glowing
