

Cry Like This

MIYAVI

In the blazing daylight
The sun burning down on me
Feeling like we're slaves
Again again againWe see the daily struggle
To fight for equality
The same scene for acres
Again again againNo time to pretend
For women and the men
Here's where the story ends, ohAlthough this world's full of sorrow
We're smiling through the pain
We won't let it let it get us down
Just brush it off and start againSo cry like this
Oh oh oh oh oh oh oh
Cry like this
Oh oh oh oh oh oh oh
So cry like this
Oh oh oh oh oh oh ohJust brush it off and start againThe devil hangs around
Where he's not wanted
He's only what you made
Again again againNo matter what life throws
Pleasure to misery
Turn the night to day
Again again againNo time to pretend
For women and the men
Here's where the story ends, ohAlthough this world's full of sorrow
We're smiling through the pain
We won't let it let it get us down
Just brush it off and start againSo cry like this
Oh oh oh oh oh oh oh
Cry like this
Oh oh oh oh oh oh oh
So cry like this
Oh oh oh oh oh oh ohJust brush it off and start againAlthough this world's full of sorrow
We're smiling through the pain
We won't let it let it get us down
Just brush it off and start againSo cry like this
Oh oh oh oh oh oh oh
Cry like this
Oh oh oh oh oh oh oh

So cry like this
Oh oh oh oh oh oh oh Just brush it off and start again
