

# Barbaric Horde

## Bestial Warlust

Battle on The Rise  
Rivals Doom Awaits  
The Stormbringers Moon  
Warclouds And Thunder Awake! We Come At Night  
Barbaric Horde  
Evil Vicious Plight  
Charge Forth Fiery Torches Ablaze  
Follow The Setting Sun  
Heralds of A Dawn To Come  
The Land Yet To Be Won Steel Clashes Steel  
First Blood Drawn  
Mortals Crushed Underhoof  
Swordarm Judges Might  
Unchained Attack Behold  
Overthrow Shall Unfold  
All Fighting For One  
And One Fighting For All Darkened Skies Above  
They Beckon In The Wind  
Ash scatters In Stars  
The Flames Grow Higher We're Here To Reap  
Holy Waters Poison  
Lords of Battle  
Forge Forth Now Many Have Fought And Sought  
Raging Through Wars Blood  
We Rouges The Victors  
Kings Head Carried Home  
Dark Ages Repisal  
Mercenaries of Wills Pride  
Conquer Through Hills of Death  
Hells Fuckin' Militia Rain Thrashes The Earth  
Smoke Fills The Air  
The War Is Over  
We Won Again
