

You, Me and the Windshield

Marcel

Let's get crazy and go for a ride,
It's quarter past five.
We'll go anywhere but here
Old Rand McNally we'll leave behind,
Trust me, we'll be just fine.
We can unwind.No doubts, no lies,
Bye-bye, baby, let's drive!Na na na, na na na, na na na nana nana
Let your hair out,
Kick your feet up;
Don't slow down,
Can't get enough.Cause if you really wanna know,
Go on and let's go,
Baby, you and me, and the windshield.
Singing na na na, na na na, na na na nana nanaWe can play 99 bottles of beer on the wall,
Man, it don't matter at all;
Cause I'm with you.We can drive all day; enjoy the ride,
Pull off when we get tired.
Feels good, alright,
On the hood, baby, you and me tonight.
Sleep tight!Na na na, na na na, na na na nana nana
Let your hair out,
Kick your feet up;
Don't slow down,
Can't get enough.Cause if you really wanna know,
Go on and let's go,
Baby, you and me and the windshield.
Singing na na na, na na na, na na na nana nanaBaby, you and me, and the windshield
Na na na nana na nana, nana na nanaCause if you really wanna know,
Go on and let's go,
Baby, you and me and the windshield.
Singing na na na, na na na, na na na nana nana
Singing na na na, na na na, na na na nana nana
Baby, you and me, and the windshield
