You, Me and the Windshield

Marcel

Let's get crazy and go for a ride,

It's quarter past five.

We'll go anywhere but here

Old Rand McNally we'll leave behind,

Trust me, we'll be just fine.

We can unwind. No doubts, no lies,

Bye-bye, baby, let's drive!Na na na, na na na na na na na nana

Let your hair out,

Kick your feet up;

Don't slow down,

Can't get enough. Cause if you really wanna know,

Go on and let's go,

Baby, you and me, and the windshield.

Man, it don't matter at all;

Cause I'm with you. We can drive all day; enjoy the ride,

Pull off when we get tired.

Feels good, alright,

On the hood, baby, you and me tonight.

Let your hair out,

Kick your feet up;

Don't slow down,

Can't get enough. Cause if you really wanna know,

Go on and let's go,

Baby, you and me and the windshield.

Na na na nana na nana, nana na nanaCause if you really wanna know,

Go on and let's go,

Baby, you and me and the windshield.

Singing na na na, na na na na na na na nana

Baby, you and me, and the windshield
