## Oh Jerusalem

## **Lauryn Hill**

Oh, Jerusalem yeah Oh, Jerusalem Oh, Jerusalem

Oh, JerusalemRealizing that there's no place else to go

And there's nobody I know who can help me

Text book solutions are so improbable

'Cuz everybody else is just as emptyNaked as the day that I was born, I tried to hide

Behind education and philosophy

Hopeless explanation to describe a situation

I can't see because the world's on top of meOh, wretched man that I am, who will deliver me From the body of this death?

Freeing me from dust, and the superficial trust

Of an enemy that seeks to take my breathFailing to connect, 'cuz I'm morally defective

By reason of the God inside my head

Causing me to see, only what pertains to me

Believing I'm alive when I'm still deadLimited to Earth, unable to find out my worth

'Cuz I can't see past my own vanity

If I'm not included, then I just have to remove it

From my mind because it has to be insanityOh, wretched man that I am, who will deliver me

From the body of this death?

Can I even factor, that I've only been an actor

In this staged interpretation of this dayFocused on the shadow

With my back turned to the light

Too intelligent to see it's me in the way

What a paradox, having God trapped in a boxAll this time professing to be spiritual

Naturally pretending

That I'm actually defending

God through my facade, only materialOh, Jerusalem, wash thine heart from wickedness

That thou mayest be saved from thy deception

How long, shall thy face those lies within thee

Oh, Jerusalem, keeping thee from perfectionSubmit to truth, leave the deception of thy youth

So we can walk in the council of authority

Forget the proof, a generation so aloof

Only follow in the steps of the majorityTrust in the Lord, with all thy heart

And lay not to thine own understanding in all thy ways

Acknowledge Him, and He shall direct our paths

Be not wise in thine own eyes that you cant follow HimWe judge and condemn, just as ignorant as them

Who religion tells us that we should ignore

Perpetrating we're in covenant with Him

Exposed by the very things that we adoreWe grin and shake hands, then lay ambush for the man Who has a different point of view than us

Infuriated 'cuz he doesn't understand

Bringing up those things we don't want to discussWise who do evil, we don't know how to do good Walking on in darkness running from the light, ey

Led to believe, because we live in neighborhoods

Telling us what's going on will be alrightOh, so repressed, so convinced that I was blessed

When I played with my game of Monopoly

Oh, to suggest, that my life is still a mess

Who reveal the pride I'm hiding is what's stopping meOh, Jerusalem, wash thy heart from wickedness

That thou mayest be saved from thy deception

How long, shall thy face those lies within thee

Oh, Jerusalem, keeping them from perfectionAbide in me and I in You, as the branch cannot bare Fruit of itself except in the vine

I am the vine, ye are the branches, He that live in me

And I in him, the same bring forth much fruitBut without me, you can do nothing

Oh, Jerusalem, your traditions have deceived you

I've chosen you, you haven't chosen me

And whatsoever, you ask in my name He may give to youBut in vain they call my name, teaching doctrines just the same

Justified among themselves

But God knoweth the heart, what man esteems as smart

Is an abomination to EmmanuelJust repent, turn from selfish motivation

So iniquity will not cause your demise

Make you a new heart and a new spirit for why would He die

Oh Jerusalem, please tell me why I have no pleasure in the death of Him to die

Says the Lord God where forth turn yourselves and live

It's not the talkers, but the walkers in His word

Are the only ones the Father will forgiveOh, Jerusalem, wash thy heart from wickedness

That thou mayest be saved from thy deception

How long, shall thy face those lies within thee

Oh, Jerusalem, providing you no protection

Oh, Jerusalem, oh, Jerusalem
