

Radio Friendly Unit Shifter (Instrumental Demo)

Nirvana

Use just once and destroy
Invasion of our privacy
Afterbirth of a nation
Starve without your skeleton key Love you for what I am not
I did not want what I have got
Blanket acned with cigarette burns
Speak at once while taking turns What is wrong with me?
What is wrong with me?
What is wrong with me? Nothing to do with what you think
If you ever think at all
Bi-polar opposites attract
All of a sudden my water broke I love you for what I am not
I did not want what I have got
Blanket acned with cigarette burns
Second-rate third degree burns What is wrong with me?
What is wrong with me?
What do I think? I think Hate, hate your enemies
Save, save your friends
Find, find your place
Speak, speak the truth What is wrong with me?
What is wrong with me?
What is what I need?
What do I think? I think Use just once and destroy
Invasion of our privacy
Afterbirth of a nation
Starve without your skeleton key What is wrong with me?
What is wrong with me?
What is wrong with me?
What do I think? I think What is wrong with me?
What is wrong with me?
What is wrong with me?
What do I think? I think
