

# Happy Place (feat. Hanna Ashbrook)

## Oh, Hush!

[Verse 1]

Flashing lights spin around in circles till we close our eyes  
Let the moment take us while we hold on tight  
Tomorrow never knows so let's live for tonight  
Oh for tonight

Hands up screamin' baby just enjoy the ride[Chorus]

Hey! I found a happy place forever happy days i'm singin' i'm singin' ooh ooh ooh  
I found a happy place it's written on my face we're singin' we're singin' ooh ooh ooh Ooh ooh ooh (x2) we're  
singin' we're singin' ooh ooh ooh[Verse 2]

Flashing lights spin around in circles till we close our eyes
