

# Always

## Moon Taxi

Always on the outside  
Lookin in- I can see  
How the world- seems to be  
Someday somehow  
We were waiting all this time  
I see it moving on down the lineCan you feel it coming  
Feel it taking over you  
Got something  
And I can see it every time I close my eyesAlways with you  
ohh oh alwaysWaking in the afternoon  
When the light is shining low  
And the world is spinning slow  
Always, Alright  
When it seems like its the end  
Is when it all starts to beginCan you feel it coming  
Feel it taking over you  
Got something  
And I can see it everytime I close my eyesAlways with you  
ohh oh always
