

Hell & Consequences

Stone Sour

Im not a victim
'Til I let you take me down
I'm not a target in the sights of your mercy
I never asked for anything
I'm not asking now I will not be afraid
I will not be afraid I've done this on my own
And I dont care what you do to me
I won't hand over what is mine I've done this for too long
To let you take it away from me
It's too late to stop me
'Cos I refuse to die I haven't weakened
Just because I've shown my self
I've taken everything
Except what's for granted
I'll leave hypocrisy for everybody else I will not be afraid
I will not be afraid I've done this on my own
And I dont care what you do to me
I won't hand over what is mine I've done this for too long
To let you take it away from me
It's too late to stop me
'Cos I refuse to die Im not a problem
'Til you make one out of spite
I'll give you hell & consequences for trying
If dont want an enemy
Dont fuck with my life I will not be afraid
I will not be afraid I've done this on my own
And I dont care what you do to me
I won't hand over what is mine I've done this for too long
To let you take it away from me
It's too late to stop me
'Cos I refuse to die I've done this on my own
And I dont care what you do to me
I won't hand over
I won't hand over what is mine I've done this for too long
To let you take it away from me
It's too late to stop me
'Cos I refuse, I refuse to die
I refuse to die
