'til Death Do Us Part

Kasey Chambers

When you look into my eyes
Tell me what you see
I don't think you even realize
The pride inside of meI've walked my walk, talked my talk
Lived and died in my songs
Temptation cuts so deep
Its fires still burn so strongYou know I've lived a few mistakes
And I stand by them
It's me, myself and I
Til death do us part, yeah
Til death, til death do us part
Yeah yeah, no no no noHey, if you want to criticize
Then you can't believe anything you read
What you see is all of me
Yeah, I've talked the talk and walked the walkWho thought I'd live this long
This life's been hard
Like a switchblade
Blind fate, suicideYou know I've lived a few mistakes
And I stand by them
It's me, myself and I
Til death do us part, yeah
Til death, til death do us part
No no no no no noYeah, sometimes my words may cut too deep
And I step on a toe or two
Well I'm half dead and barely half alive
But I live by the truth, I live by the truthTil death, til death do us part
Til death, yeah
Til death do us part, yeah
Forever forever togetherForever and ever, forever
Til death, til death do us part
Yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah
