Maino

[Maino:]Olivia, Maino
I don't wanna play with your feelings girl,
I gotta be honest with you,

And i'm suprised all this time that you couldn't tell,
Thats why my phones always off, you getting the voice mail,
I don't wanna lose you at all but I love you Boo,
And whats funny is I think I love you the most,
I'm so into you,
It's something about you,
I'm feeling like I aint nothing without you..
[Olvia:]I see you looking at me and I know jus what your feeling,
I wanna take you to my room cause I know just what to do and you like if,
As you rub on my thighs,

[Chorus:]I'm so into you baby,
It's all here for you sugar,
And I got it bad for you,

[Chorus:]I'm so into you baby,
It's all here for you sugar,
And I got it bad for you,

It's all here for you sugar,
I got it bad for you baby,
I'm so into you,
Give it up to you,
