

# Dream Police

## Cheap Trick

The dream police, they live inside of my head  
The dream police, they come to me in my bed  
The dream police, they're coming to arrest me, oh no  
    You know that talk is cheap  
    And those rumors ain't nice  
    And when I fall asleep  
I don't think I'll survive the night, the night  
    'Cause they're waiting for me  
    They're looking for me  
Every single night they're driving me insane  
    Those men inside my brain  
The dream police, they live inside of my head  
    (Live inside of my head)  
The dream police, they come to me in my bed  
    (Come to me in my bed)  
The dream police, they're coming to arrest me, oh no  
    Well, I can't tell lies  
    'Cause they're listening to me  
    And when I fall asleep  
Bet they're spying on me tonight, tonight  
    'Cause they're waiting for me  
    They're looking for me  
Every single night they're driving me insane  
    Those men inside my brain  
I try to sleep, they're wide awake, they won't let me alone  
    They don't get paid to take vacations or let me alone  
    They spy on me, I try to hide, they won't let me alone  
They persecute me, they're the judge and jury all in one  
    'Cause they're waiting for me  
    They're looking for me  
Every single night they're driving me insane  
    Those men inside my brain  
The dream police, they live inside of my head  
The dream police, they come to me in my bed  
The dream police, they're coming to arrest me  
    The dream police  
    The dream police  
    The dream police  
    The dream police

The dream police
