Like Me

Lil Durk

She don't know about real niggas
She don't know no boss
She don't know about foreign cars
She don't what that cost
She don't know about love
She don't know what that is
She don't know about riding round
And spending it like thisFuck with a nigga like me
Wanna fuck with a nigga like me
Now she wanna fuck
Fuck with a nigga like me
Wanna fuck with a nigga like me
Hit the club with a nigga like me
Do drugs with a nigga like me
Fall in love with a nigga like me
And never love another nig
Never love another nigga like
Me me
MeHave you ever met a Chi town nigga?
Girl I heard you need a go-getter
You ain't never meet a rapper
With the swag of a savage and a dope dealer
I'm the realest nigga that you see
I know you tired of them other niggas
Heard he brought you a bag for a G
Why you fuckin' with them broke niggas?
Gingerale in a fifth of liquor
Where you going girl I'm going with ya
Ride with me 'cause I'm number one
Two bitches might come in the middle
Fly to Vegas, red lights
Legs in the air, call it jet life
Shawty give me top with the neck like
Shit gave me life, I can't get right, can't get rightGot you cruisin' water on a hundred
Got your tempo on a hundred, let it bubble up (bubble up)
Need a bad bitch, tryna be a bad girl
You know I'm tryna trouble up (you know I'm tryna trouble up)
Buy everything she wants two times, baby double up (don't you really want)
Say she need more niggas out here like me

'Cause there's not enough (not enough, not enough, not enough)She don't know about real niggas
She don't know no boss
She don't know about foreign cars
She don't what that cost
She don't know about love
She don't know what that is
She don't know about riding round
And spending it like thisFuck with a nigga like me
Wanna fuck with a nigga like me
Now she wanna fuck
Fuck with a nigga like me
Wanna fuck with a nigga like me
Hit the club with a nigga like me
Do drugs with a nigga like me
Fall in love with a nigga like me
And never love another nigga
Never love another nigga like
Me me
MeYou ain't never been in my town nigga
A good place to go but the murder rate's so ridiculous
Fell in love with some R&B bitch
And I know that it's good for the fame and for the image
Shawty gave me head like a penny
But she should coco
Ain't really been in love in a minute
It won't hurt if none know about me
For the bad gal, no make up you look better with your mask off
Rich nigga wanna buzz, like to brag y'all
But a nigga like me
Ain't no nigga like me I'm a Boss, Hugo
Rich nigga since birth, you know
You my bitch don't get mad, Cujo
Nigga like me, I'm that nigga, nigga
Gettin' money since a little nigga
Shawty thinks she the shit
But she could be a little thicker
Fuck on my name and a little liquor
I got 'em pissed, I'm the shit nigga
So why do they hate? I gotta get cake
These niggas so fake, so stay out my way
Ain't too many niggas like meShe don't know about real niggas
She don't know no boss
She don't know about foreign cars
She don't what that cost
She don't know about love

She don't know what that is
She don't know about riding round
And spending it like thisFuck with a nigga like me
Wanna fuck with a nigga like me
Now she wanna fuck
Fuck with a nigga like me
Wanna fuck with a nigga like me
Hit the club with a nigga like me
Do drugs with a nigga like me
Fall in love with a nigga like me
And never love another nigga
Never love another nigga like
Me
