

Skullfuck the Infidel

Dethcentrik

Fuck You! I will kill you!
Rape you!
Then saw off your head and shit down your neck! I'll cum in your eye,
And leave you to die! Skin your arms,
Burn your legs,
Empty your blood into a keg! I'll make a necklace with the dried toes off your feet!
I'll soak in your blood,
Scatter your pulp,
Empty you spleen juice and take a big gulp! Now to the public I speak:
Finding the remains is up to you!
