

Down for Whatever (feat. The WAV.s)

Kelly Rowland

Intro I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor
I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i adore
I'm down for whatever Verse There's no place I wouldn't go
Tonight I'm ready to take it anywhere
I'm amazed, by you all
You bring out a side i didn't know Say the word, and I'll do anything, can't say no to you
It ain't juice, mixed with booze
No baby every word is true Chorus I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor
I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i adore I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor
I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i im down I'm down for whatever
I'm down for whatever
I'm down for whatever
I'm down for whatever Verse Let's explore, see what we find
I'm waiting for you to discover me
No restraints, no regrets
Just give me your eye, I won't forget Say the word, and I'll do anything, can't say no to you
It ain't juice, mixed with booze
No baby every word is true Chorus I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor

I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i adore I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor
I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i adore I'm down for whatever
I'm down for whatever
I'm down for whatever
I'm down for whatever
Bridge Tonight, you're making everything feel right
Tonight, I wanna get high and touch the sky Chorus I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor
I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i adore I'm down for whatever
I'm down for whatever
When it comes to you
I could make love on the floor
I'm down for whatever
I'm down for whatever
Baby let's get creative
Cause its you i adore I'm down for whatever
