Beat My Guest

Adam and the Ants

Well, tie me up
And hit me with a stick
Beat me, beat meYeah, use a truncheon
Or a household brick, yeah
Beat me, beat meTheres so much happiness
Behind these tears
Beat me, beat meI pray youll beat me
For ten thousand years
Beat me, beat meOh well, now Im black and blue
Baby I love you
Be your dog, for just one flogYou dont hear me plead
Make me bleed
Beat me, beat meWell, use a truncheon
Or a cricket bat
Beat me, beat meA good beating's
Really where its at, yeah
Beat me, beat meOh well, now Im black and blue
Baby I love you
Be your dog for just one flogYou dont hear me plead
Make me bleed
Beat me, beat meOh well, now Im black and blue
I love you
Be your dog, for just one flogYou dont hear me plead
Make me bleed
Beat me, beat meAlright muchachos
