

# Beat My Guest

## Adam and the Ants

Well, tie me up  
And hit me with a stick  
Beat me, beat me Yeah, use a truncheon  
Or a household brick, yeah  
Beat me, beat me Theres so much happiness  
Behind these tears  
Beat me, beat me I pray youll beat me  
For ten thousand years  
Beat me, beat me Oh well, now Im black and blue  
Baby I love you  
Be your dog, for just one flog You dont hear me plead  
Make me bleed  
Beat me, beat me Well, use a truncheon  
Or a cricket bat  
Beat me, beat me A good beating's  
Really where its at, yeah  
Beat me, beat me Oh well, now Im black and blue  
Baby I love you  
Be your dog for just one flog You dont hear me plead  
Make me bleed  
Beat me, beat me Oh well, now Im black and blue  
I love you  
Be your dog, for just one flog You dont hear me plead  
Make me bleed  
Beat me, beat me Alright muchachos
