Mary Jane

Tha Alkaholiks

Mary Jane, Mary Jane, Mary Jane
You're always in my brain and you help me ease the pain
'Cuz when you're not around, I just don't feel the same
I can't be your one and only but I know you're not to blameI'll never hold ya, can't hold ya, won't hold ya down
'Cuz you got that kind of love that needs to be spread around
Some people don't approve of me bein' with ya kiddo
They say you're bad for me and my momma says dittoWhen I walk up with ya, my buddies wanna hit ya
I know you been with others but you know I'll never quit ya
And even though sometimes you got my mind stressed out
I'm in this with you, baby and you got my body stretched outMary, Mary, Mary Jane
So put that in your pipe and smoke it
Mary Jane, Mary Jane
So put that in your pipe and smoke itEarly in the mornin', you gave me a buzz
I picked up the phone and didn't know who the fuck it was
I feel like Johnny Gill, I wanna wrap your body tight
Lick you from head to toe and watch you glow like a Lite BriteI met you at the park around three
When I got there you was loungin' in the car with my homie
He said, he needed a dub, so I slipped him one
And said, "C'mon Mary Jane and let's have a little fun"I got you in the sack, I got you in the sack
And like Helen tellin' Jack, there's no turnin' back
She's the queen of the ghetto, ask my buddy Tom
Mary Jane is the bomb, Mary JaneYeah, do you love me? Do you love me?
Mary Jane, Mary Jane, do you love me? Do you love me?
D-Pimp in the house, Homicide in the house
And in love with Mary JaneMary Mary, why you got me buggin'?
Look what the homies done drug in, Mary Jane
Prettier than any model
I met her at a house party sippin' on a bottleHer dress has got a nice fit, I'm locked like a vise grip
She's the type I'd like to spend the rest of my life with
I would if I could but I know I can't support her
Can't take her on vacation, wouldn't make it past the borderWhen she ain't around, I get the feelin' that I need her
Mary Jane be actin' white but I ain't caught the jungle fever
But she be so thin that I could slip her in my pocket
I lick her then I knock it till I'm higher than a rocketWhenever she's in the same room with my friends, they all trip
Because she's dope and she don't want me for my ends
So just to make 'em jealous when she walks up to me
I reach out and grab her by the booty, Mary JaneMary Jane, Mary Jane, Mary Jane, Mary JaneMy eyes are red

but not from cryin'
Whenever Mary Jane runs out, I sit there sighin'
Sayin' to myself, "When oh, when will Mary Jane come back?
Where oh, where can I find Mary at?" Where you at? Where you at?I jump into my Benz and start my search all through the hood
'Cuz all the spots she used to hang in ain't up to no good
But needless to say, I kept lookin' and I found her
Right on the corner of Central and AllandraI picked her up quick and in a hurry
And then all of a sudden the undercover swooped in flurries
I said, "Hold up, don't shoot, I know this looks like a kidnap
But all I want to do is get my Mary Jane back"They took me to the station, givin' me some sation
And some jib about leavin' Mary Jane at the crib
They let me go but they kept her because they had a bounty
On her 'cuz she's wanted from here to Humboldt CountyI left with a frown 'cause Mary Jane was locked down
Once again I had lost my best friend
