

Money Song

Robert Lopez and Jeff Marx

I've got ninety thousand French francs in my fridge
I've got lots of lovely Lire
Now the Deutschmark's getting dearer
And my dollar bills would buy the Brooklyn bridge

There is nothing quite as wonderful as money
There is nothing quite as beautiful as cash
Some people say it's folly
But I'd rather have the lolly
With money you can't make a splash

There is nothing quite as wonderful as money
(money money money)
There is nothing like a newly ninety pound
(money money money)

Everyone must hanker for the butchness of the banker
It's accountancy that makes the world go round
(round round round)

You can keep your Marxist ways
For it's only just a phase
For it's money makes the world go round
(money money money money money money money money)
