 I'm like so sure It's like BARF ME OUT...
 Gag me with a spoon! Last idea to cross her mind
 Had something to do with where to find
 A pair of jeans to fit her butt
 And where to get her toenails cut So like I go into this like salon place, y'know
 And I wanted like to get my toenails done
 And the lady like goes, oh my God, your toenails

Except my like my teeth are like too small
But NO BIGGIE...
