Role Models

The Griswolds

Reality's a plane we just not on it
And I know life's a bitch but we gon' ride it
A fairytale's a rocket I'm gon' fly it
And though we rock the boat, we don't capsize itWe ain't your role models
We just be chasing models, we just be
Downin' bottles, being dumb, and dishonestWe just be, PIN delinquents
Pumping out, bad decisions, like it's nobody's business
Living life like,We got nothing to lose
(Oh yeah, alright, oh yeah)
We got nothing to lose
(Oh yeah) We got nothing to lose (alright, oh yeah)If growing up's a drag we gon' light it
We started from the bottom but we climbed it
We're limited edition you can't buy it,
1-800-Hotline, you can't dial itWe ain't your role models
We just be chasing models, we just be
Downin' bottles, living life like,We got nothing to lose
(Oh yeah, alright, oh yeah)
We got nothing to lose
(Oh yeah) We got nothing to lose (alright, oh yeah)Yeah we break the rules we don't deny it,
Cuz pleasure make my life be so exciting
Tempted by the apple we gon' bite it
And I'm just trying to see the light before I'm blindedWe ain't your role models,
Hell no,
We ain't your role models
Living life like,
We ain't your role models,
Hell no,
We aint your role models,
Living life like
(Ahhhh)We got nothing to lose
(Oh yeah) We got nothing to lose (alright, oh yeah)
We got nothing to lose
Oh yeah, (we got nothing to lose) alright, oh yeah,
We got nothing to lose (oh yeah)
We got nothing to lose (alright, oh yeah)
Oh yeah (we got nothing to lose) alright
We got nothing to lose!
