nicole  
i love you  
i'll never leave you  
w  
o you i turn to stonenicole believe me  
love was meant to be  
consumed by you and me  
nicolenicole  
i love you  
i'm thinkin' of you  
w  
every motion i makewhen the stars are above you  
know that i miss you and  
i'll be there sooner than you think
